Situation and Description

The land is conveniently situated alongside the A488 and within 0.3 miles walking distance of the market town. The land comprises of a ring-fenced block of level and gently sloping productive grade 3 grassland. Contained within three fields the land has an easterly facing aspect and rises up from 175m to about 205m. The land is generally well fenced with some laid hedges and double fencing completed under Countryside Stewardship. To the south side is a fenced belt of amenity woodland with daffodils and a pond and adjacent are several in field specimen parkland trees providing shelter for grazing livestock.

Services

Metered mains water (shared) connected to three field troughs. The purchaser will be required to move the trough from the retained land between points D & E. A 3-phase overhead electricity line crosses over part of the land.

Nitrate Vulnerable Zone (NVZ)

The land is not included within a designated NVZ.

Timber, Sporting and Mineral Rights

So far as they are owned these are included in the sale.

Basic Payment Scheme and Countryside Stewardship

The land is in a Countryside Stewardship Mid-Tier agreement expiring 31/12/2025 under option GS2 and the vendor will retain the 2025 revenue payment. The purchaser will be required to comply with the scheme and HEFER prescriptions until the end of the agreement. No BPS delinked payments are included. Rural Payments Agency – Tel: 03000 200 301

Easements, Wayleaves and Rights of Way

A twin fenced public footpath 0507/1/1 and footpath 0507/42/1 cross over the land. Applicants are advised to clarify matters relating to easements, rights of way, wayleaves etc. with their solicitor or surveyor.

Natural Capital, Carbon Sequestration, Biodiversity Net Gain

The land may offer some investment potential.

Plans and Boundaries

The plan reproduced within these particulars is based on Ordnance Survey and Land Registry Title data and is provided for illustration purposes only. It is believed to be correct, but its accuracy is not guaranteed.

The purchaser will be deemed to have full knowledge of all boundaries and the extent of ownership. Neither the vendor nor the vendor's agents will be responsible for defining boundaries nor the ownership thereof.

The purchaser will be required to erect a stock proof fence between points A -> B and C -> D -> E within 3 months of completion (see plan & contract).

The field boundary between F -> G which is owned is insecure and will require fencing to make stockproof.
